YO MIDGETS. I just saw [Nick Rado](#)'s comedy show 'The Funniest Joke in the World' and might I say, I was on the verge of tears. He's funnier (and cheaper) than all those famous TV comedians. CLOSING NIGHT TOMORROW. x0x0x0x0x0

Nic Montgomery

Guys and girls! If you're free tomorrow night or Saturday night, I seriously urge you to get along and see [Nick Rado](#)'s show at the Q Theatre. I went tonight and I can assure it's the funniest show I've seen this festival! Get along and support a future star of NZ comedy, so you can be one of those people who says you knew him before everyone else!

Richard Cronin I agree saw nick on wed night! Best show I've seen out of 9 this week! Well done Nick

Ants Heath Saturday 4 May

Nick Rado's show last night was brilliant! I cannot recommend it enough, better than many of the "big names" performing at the moment. Get a ticket while you still can!

ABOUT THE SHOW

Last year Nick Rado - NZ Comedy Guild Best MC (2011 & 2012) witnessed the funniest joke in the world, the joke has more laughter, tension, rounds of applause and mirth than any scripted joke ever told. It takes 1 hour to get conditions perfect for it to work and it involves a pineapple; for Wellington (30th Apr – 4th May) and Auckland's (7th – 11th May) laugh out loud pleasure Nick will retell that joke.

"... HAD ME NEARLY ROLLING ON THE FLOOR WITH LAUGHTER" – *THEATRE REVIEW NZ*

Nick mirthfully conjures the audience to help him complete his checklist of ambience, lighting, temperature, sound effects, music and interpretive dance to set up perfect conditions to re-tell the funniest joke ever told.

- "A MASTERFUL AND JOYFUL PERFORMER" *MINI FEST OUT WEST, NZ INTERNATIONAL COMEDY FESTIVAL*

"ON-ITS-TOES HILARITY AND CROWD PLEASING BUFFOONERY AT ITS BEST" - *THREE WEEKS, EDINBURGH FESTIVAL,*
